Date of start-up :

Part, and serial number:

Note 1: Possible only for new equipment if warranty registration takes place within the first 12 months following start-up and before the first scheduled maintenance. See warranty certificate “Screw Compressors ProTect 5-year “Bumper-to-Bumper” Warranty” for full details)

Note 2: SIEMENS variable speed drive 5-year warranty must be purchased separately and is not automatically included in the Kaeser bumper-to-bumper warranty. The integrated dryer option is not included in this 5-year warranty.

YES, I would like to benefit from *ProTect 5-year* Warranty and to receive a maintenance proposition for the necessary service work when the recommended service interval is reached, or at least once per year.

The extended warranty is valid only if the recommended service work is performed.

I am not obligated to have this service work performed, however the extended warranty becomes invalid.

YES, I would like to benefit from *ProTect Std.* Warranty (2-yr warranty on main motor, airend, Sigma Control 2, main motor starters) and to receive a maintenance proposition for the necessary service work when the recommended service interval is reached, or at least once per year.
